Getting Started: Unboxing and Initial Setup

Before you brew your first cup, familiarize yourself with the contents of the box. Your Braun Tassimo Type 3107 package should include the machine itself, a water tank, a T-Disc holder, and possibly a starter pack of T-Discs (single-serve coffee pods). The Braun Tassimo Type 3107 manual, often included or accessible online, provides detailed diagrams and instructions for assembly.

Here's a step-by-step guide to setting up your machine:

- **Placement:** Choose a stable, level surface away from heat sources and water splashes. Ensure there's enough space around the machine for easy access to the water tank and T-Disc holder.
- **Water Tank Filling:** Fill the water tank with fresh, cold water. Avoid using hot water, as this can damage the machine. The Braun Tassimo Type 3107 manual specifies the maximum water level.
- **Connecting to Power:** Plug the machine into a grounded electrical outlet.
- **Descaling:** Before your first use, run a descaling cycle as per the instructions in the Braun Tassimo Type 3107 manual. This removes any manufacturing residue and ensures optimal machine performance. Regular descaling (as recommended in the manual) prevents limescale buildup, extending the lifespan of your machine and maintaining brew quality. This is crucial for **Tassimo maintenance**.
- **T-Disc Insertion:** Insert a T-Disc into the T-Disc holder, ensuring it's properly seated. The Braun Tassimo Type 3107 manual shows you exactly how.
- **Brewing Your First Cup:** Follow the instructions in the manual to start brewing your first cup. Observe the brewing process and pay attention to the machine's indicators.
